### FACTS

9. Plaintiffs are the owners of a Texas Homeowners' Insurance Policy (hereinafter referred to as "the Policy"), which was issued by State Farm.
10. Plaintiffs own the insured property, which is specifically located at 1367 Cy Blackburn Circle, Dallas, Texas 75217, in Dallas County (hereinafter referred to as "the Property").
11. State Farm sold the Policy insuring the Property to Plaintiffs.
12. On or about May 28, 2015 and/or June 9, 2015, a windstorm struck Dallas County, Texas, causing severe damage to homes and businesses throughout the area, including Plaintiffs' residence (hereinafter referred to as "the Storm"). Specifically, Plaintiffs' roof sustained extensive damage during the Storm. Plaintiffs also sustained additional structural and exterior damage during the Storm including, but not limited to, the damages to the exterior siding, skylight, and gutters. Water intrusion through the roof caused significant damage throughout the entire home and garage including, but not limited to, the home's ceilings, walls, insulation, and flooring. Furthermore, Plaintiffs sustained significant damage to their storage shed and fence within the Property. Upon noticing the damages from the Storm, Plaintiffs filed a claim with their insurance company, State Farm, for the damages to their home caused by the windstorm.
13. Plaintiffs submitted a claim to State Farm against the Policy for Other Structure Damage, Roof Damage, Structural Damage, Water Damage, and Wind Damage the Property sustained as a result of the windstorm.
14. Plaintiffs asked that State Farm cover the cost of repairs to the Property, including but not limited to, repair and/or replacement of the roof and repair of the exterior, structural, and/or interior water damages to the Property, pursuant to the Policy.

15. Defendant State Farm assigned Defendant Williams as the individual adjuster on the claim. The adjuster assigned to Plaintiffs' claim was improperly trained and failed to perform a thorough investigation of Plaintiffs' claim. On or about July 31, 2015, Williams conducted a substandard inspection of Plaintiffs' residence during which spent an insufficient amount of time inspecting the entire Property to scope damages and failed to thoroughly inspect all of the damages to both the interior and exterior of the Property. Defendant Williams' inadequate inspection is evidenced by her August 7, 2015 report, which failed to provide a fair and accurate assessment of Plaintiffs' damages actually included in her inspection including, but not limited to, the roof, storage shed, and several interior damages within the home. Specifically, Williams underpriced the cost of materials required for necessary repairs, including the allotment for the roof and, therefore, the damages actually included in Williams' report were grossly undervalued. Furthermore, Williams improperly withheld prospective contractors' overhead and profit and incorrectly applied material sales tax for certain items in determining the actual cash value of Plaintiffs' loss under the Policy.
16. Defendant Williams failed to acknowledge several of the extensive and obvious windstorm damages to Plaintiffs' Property including, but not limited to, the exterior siding and fence. Although Williams was aware of Plaintiffs' reported potential damages covered by the Policy, she made determinations as to the amount of Plaintiffs' claim without conducting thorough and reasonable inspection of Plaintiffs' damages. Ultimately, Defendant Williams failed to properly scope Plaintiffs' damages, underestimated and undervalued the cost of repairs to the damaged items, thereby not allowing adequate funds to cover the cost of repairs to all the damages sustained. The

mishandling of Plaintiffs' claim has also caused a delay in Plaintiffs' ability to fully repair their property, which has resulted in additional damages. To this date, Plaintiffs have yet to receive the full payment they are entitled to under the Policy.

17. Defendant State Farm, along with its personnel, failed to thoroughly review and properly oversee the work of the assigned claims representative and adjusters Defendant Williams; ultimately approving an improper adjustment of and an inadequate, unfair settlement of Plaintiffs' claim. Further, State Farm and Williams misrepresented that Plaintiffs' damages were not covered under the Policy, when the losses, in fact, were properly covered damages. Defendants State Farm and Williams denied Plaintiffs' claim without performing a reasonable investigation. As a result of these wrongful acts and omissions set forth above and further described herein, Plaintiffs were considerably underpaid on their claim and have suffered damages.
18. Together, Defendants State Farm and Williams set out to deny and/or underpay on properly covered damages. As a result of this unreasonable investigation, including the under-scoping of Plaintiffs' Storm damages during the investigation and failure to provide full coverage for the damages sustained, Plaintiffs' claim was improperly adjusted, and they were denied adequate and sufficient payment to repair their home. The mishandling of Plaintiffs' claim has also caused a delay in their ability to fully repair their home, which has resulted in additional damages. To this date, Plaintiffs have yet to receive the full payment to which they are entitled under the Policy.
19. As detailed in the paragraphs below, State Farm wrongfully denied Plaintiffs' claim for repairs of the Property, even though the Policy provided coverage for losses such as those suffered by Plaintiffs. Furthermore, State Farm underpaid some of Plaintiffs' claims by

not providing full coverage for the damages sustained by Plaintiffs, as well as under-scoping the damages during its investigation.

20. To date, State Farm continues to delay in the payment for the damages to the property. As such, Plaintiffs have not been paid in full for the damages to their home.
21. Defendant State Farm failed to perform its contractual duties to adequately compensate Plaintiffs under the terms of the Policy. Specifically, it refused to pay the full proceeds of the Policy, although due demand was made for proceeds to be paid in an amount sufficient to cover the damaged property, and all conditions precedent to recovery upon the Policy had been carried out and accomplished by Plaintiffs. State Farm's conduct constitutes a breach of the insurance contract between State Farm and Plaintiffs.
22. Defendants State Farm and Williams misrepresented to Plaintiffs that the damage to the Property was not covered under the Policy, even though the damage was caused by a covered occurrence. Defendants State Farm's and Williams' conduct constitutes a violation of the Texas Insurance Code, Unfair Settlement Practices. TEX. INS. CODE §541.060(a)(1).
23. Defendants State Farm and Williams failed to make an attempt to settle Plaintiffs' claim in a fair manner, although they were aware of their liability to Plaintiffs under the Policy. Defendants State Farm's and Williams' conduct constitutes a violation of the Texas Insurance Code, Unfair Settlement Practices. TEX. INS. CODE §541.060(a)(2)(A).
24. Defendants State Farm and Williams failed to explain to Plaintiffs the reasons for their offer of an inadequate settlement. Specifically, Defendants State Farm and Williams failed to offer Plaintiffs adequate compensation, without any explanation why full payment was not being made. Furthermore, Defendants State Farm and Williams did not

communicate that any future settlements or payments would be forthcoming to pay for the entire losses covered under the Policy, nor did they provide any explanation for the failure to adequately settle Plaintiffs' claim. Defendants State Farm's and Williams' conduct is a violation of the Texas Insurance Code, Unfair Settlement Practices. TEX. INS. CODE §541.060(a)(3).

25. Defendants State Farm and Williams failed to affirm or deny coverage of Plaintiffs' claim within a reasonable time. Specifically, Plaintiffs did not receive timely indication of acceptance or rejection, regarding the full and entire claim, in writing from Defendants State Farm and Williams. Defendants State Farm's and Williams' conduct constitutes a violation of the Texas Insurance Code, Unfair Settlement Practices. TEX. INS. CODE §541.060(a)(4).
26. Defendants State Farm and Williams refused to fully compensate Plaintiffs, under the terms of the Policy, even though Defendants State Farm and Williams failed to conduct a reasonable investigation. Specifically, Defendants State Farm and Williams performed an outcome-oriented investigation of Plaintiffs' claim, which resulted in a biased, unfair, and inequitable evaluation of Plaintiffs' losses on the Property. Defendants State Farm's and Williams' conduct constitutes a violation of the Texas Insurance Code, Unfair Settlement Practices. TEX. INS. CODE §541.060(a)(7).
27. Defendant State Farm failed to meet its obligations under the Texas Insurance Code regarding timely acknowledging Plaintiffs' claim, beginning an investigation of Plaintiffs' claim, and requesting all information reasonably necessary to investigate Plaintiffs' claim, within the statutorily mandated time of receiving notice of Plaintiffs'

- claim. State Farm's conduct constitutes a violation of the Texas Insurance Code, Prompt Payment of Claims. TEX. INS. CODE §542.055.
28. Defendant State Farm failed to accept or deny Plaintiffs' full and entire claim within the statutorily mandated time of receiving all necessary information. State Farm's conduct constitutes a violation of the Texas Insurance Code, Prompt Payment of Claims. TEX. INS. CODE §542.056.
29. Defendant State Farm failed to meet its obligations under the Texas Insurance Code regarding payment of claim without delay. Specifically, it has delayed full payment of Plaintiffs' claim longer than allowed and, to date, Plaintiffs have not received full payment for their claim. State Farm's conduct constitutes a violation of the Texas Insurance Code, Prompt Payment of Claims. TEX. INS. CODE §542.058.
30. From and after the time Plaintiffs' claim was presented to Defendant State Farm, the liability of State Farm to pay the full claim in accordance with the terms of the Policy was reasonably clear. However, State Farm has refused to pay Plaintiffs in full, despite there being no basis whatsoever on which a reasonable insurance company would have relied to deny the full payment. State Farm's conduct constitutes a breach of the common law duty of good faith and fair dealing.
31. Defendants State Farm and Williams knowingly or recklessly made false representations, as described above, as to material facts and/or knowingly concealed all or part of material information from Plaintiffs.
32. As a result of Defendants State Farm's and Williams' wrongful acts and omissions, Plaintiffs were forced to retain the professional services of the attorney and law firm who are representing them with respect to these causes of action.

33. Plaintiffs' experience is not an isolated case. The acts and omissions State Farm committed in this case, or similar acts and omissions, occur with such frequency that they constitute a general business practice of State Farm with regard to handling these types of claims. State Farm's entire process is unfairly designed to reach favorable outcomes for the company at the expense of the policyholders.

**CAUSES OF ACTION:**

**CAUSES OF ACTION AGAINST DEFENDANT WILLIAMS**  
**NONCOMPLIANCE WITH TEXAS INSURANCE CODE:**  
**UNFAIR SETTLEMENT PRACTICES**

34. Defendant State Farm assigned Defendant Williams to adjust the claim. Defendant Williams was improperly trained to handle claims of this nature and performed an unreasonable investigation of Plaintiffs' damages. During her investigation, the adjuster failed to properly assess Plaintiffs' windstorm damages. The adjuster also omitted covered damages from her report, including many of Plaintiffs' interior damages. In addition, the damages that the adjuster did include in the estimate were severely underestimated.
35. Defendant Williams' conduct constitutes multiple violations of the Texas Insurance Code, Unfair Settlement Practices. TEX. INS. CODE §541.060(a). All violations under this article are made actionable by TEX. INS. CODE §541.151.
36. Defendant Williams is individually liable for her unfair and deceptive acts, irrespective of the fact she was acting on behalf of State Farm, because she is a "person" as defined by TEX. INS. CODE §541.002(2). The term "person" is defined as "any individual, corporation, association, partnership, reciprocal or interinsurance exchange, Lloyds plan, fraternal benefit society, or other legal entity engaged in the business of insurance,

including an agent, broker, *adjuster* or life and health insurance counselor.” TEX. INS. CODE §541.002(2) (emphasis added; *see also Liberty Mutual Insurance Co. v. Garrison Contractors, Inc.*, 966 S.W.2d 482, 484 (Tex. 1998)) (holding an insurance company employee to be a “person” for the purpose of bringing a cause of action against him or her under the Texas Insurance Code and subjecting him or her to individual liability).

37. Falsehoods and misrepresentations may be communicated by actions as well as by the spoken word; therefore, deceptive conduct is equivalent to a verbal representation. Defendant Williams’ misrepresentations by means of deceptive conduct include, but are not limited to: (1) failing to conduct a reasonable inspection and investigation of Plaintiffs’ damages; (2) stating that Plaintiffs’ damages were less severe than they in fact were; (3) using her own statements about the non-severity of the damage as a basis for denying properly covered damages and/or underpaying damages; and (4) failing to provide an adequate explanation for the inadequate compensation Plaintiffs received. Defendant Williams’ unfair settlement practice, as described above and the example given herein, of misrepresenting to Plaintiffs material facts relating to the coverage at issue, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.060(a)(1).
38. Defendant Williams’ unfair settlement practice, as described above, of failing to attempt in good faith to effectuate a prompt, fair, and equitable settlement of the claim, even though liability under the Policy is reasonably clear, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.060(a)(2)(A).

39. Defendant Williams failed to explain to Plaintiffs the reasons for her offer of an inadequate settlement. Specifically, Defendant Williams failed to offer Plaintiffs adequate compensation without any explanation as to why full payment was not being made. Furthermore, Defendant did not communicate that any future settlements or payments would be forthcoming to pay for the entire losses covered under the Policy, nor did she provide any explanation for the failure to adequately settle Plaintiffs' claim. The unfair settlement practice of Defendant Williams as described above, of failing to promptly provide Plaintiffs with a reasonable explanation of the basis in the Policy, in relation to the facts or applicable law, for the offer of a compromise settlement of Plaintiffs' claim, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.060(a)(3).
40. Defendant Williams' unfair settlement practice, as described above, of failing within a reasonable time to affirm or deny coverage of the claim to Plaintiffs, or to submit a reservation of rights to Plaintiffs, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.060(a)(4).
41. Defendant Williams did not properly inspect the Property and failed to account for and/or undervalued many of Plaintiffs' exterior and interior damages, although reported by Plaintiffs to State Farm. Defendant Williams' unfair settlement practice, as described above, of refusing to pay Plaintiffs' claim without conducting a reasonable investigation, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.060(a)(7).

**CAUSES OF ACTION AGAINST ALL DEFENDANTS**

42. Plaintiffs are not making any claims for relief under federal law.

**FRAUD**

43. Defendants State Farm and Williams are liable to Plaintiffs for common law fraud.
44. Each and every one of the representations, as described above, concerned material facts for the reason that absent such representations, Plaintiffs would not have acted as they did, and which Defendants State Farm and Williams knew were false or made recklessly without any knowledge of their truth as a positive assertion.
45. The statements were made with the intention that they should be acted upon by Plaintiffs, who in turn acted in reliance upon the statements, thereby causing Plaintiffs to suffer injury and constituting common law fraud.

**CONSPIRACY TO COMMIT FRAUD**

46. Defendants State Farm and Williams are liable to Plaintiffs for conspiracy to commit fraud. Defendants State Farm and Williams were members of a combination of two or more persons whose object was to accomplish an unlawful purpose or a lawful purpose by unlawful means. In reaching a meeting of the minds regarding the course of action to be taken against Plaintiffs, Defendants State Farm and Williams committed an unlawful, overt act to further the object or course of action. Plaintiffs suffered injury as a proximate result.

**CAUSES OF ACTION AGAINST STATE FARM ONLY**

47. Defendant State Farm is liable to Plaintiffs for intentional breach of contract, as well as intentional violations of the Texas Insurance Code, and intentional breach of the common law duty of good faith and fair dealing.

**BREACH OF CONTRACT**

48. Defendant State Farm's conduct constitutes a breach of the insurance contract made between State Farm and Plaintiffs.
49. Defendant State Farm's failure and/or refusal, as described above, to pay the adequate compensation as it is obligated to do under the terms of the Policy in question, and under the laws of the State of Texas, constitutes a breach of State Farm's insurance contract with Plaintiffs.

**NONCOMPLIANCE WITH TEXAS INSURANCE CODE:  
UNFAIR SETTLEMENT PRACTICES**

50. Defendant State Farm's conduct constitutes multiple violations of the Texas Insurance Code, Unfair Settlement Practices. TEX. INS. CODE §541.060(a). All violations under this article are made actionable by TEX. INS. CODE §541.151.
51. Defendant State Farm's unfair settlement practice, as described above, of misrepresenting to Plaintiffs material facts relating to the coverage at issue, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.060(a)(1).
52. Defendant State Farm's unfair settlement practice, as described above, of failing to attempt in good faith to effectuate a prompt, fair, and equitable settlement of the claim, even though State Farm's liability under the Policy was reasonably clear, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.060(a)(2)(A).
53. Defendant State Farm's unfair settlement practice, as described above, of failing to promptly provide Plaintiffs with a reasonable explanation of the basis in the Policy, in relation to the facts or applicable law, for its offer of a compromise settlement of the

claim, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.060(a)(3).

54. Defendant State Farm's unfair settlement practice, as described above, of failing within a reasonable time to affirm or deny coverage of the claim to Plaintiffs, or to submit a reservation of rights to Plaintiffs, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.060(a)(4).

55. Defendant State Farm's unfair settlement practice, as described above, of refusing to pay Plaintiffs' claim without conducting a reasonable investigation, constitutes an unfair method of competition and an unfair and deceptive act or practice in the business of insurance. TEX. INS. CODE §541.060(a)(7).

**NONCOMPLIANCE WITH TEXAS INSURANCE CODE:  
THE PROMPT PAYMENT OF CLAIMS**

56. Defendant State Farm's conduct constitutes multiple violations of the Texas Insurance Code, Prompt Payment of Claims. All violations made under this article are made actionable by TEX. INS. CODE §542.060.

57. Defendant State Farm's failure to acknowledge receipt of Plaintiffs' claim, commence investigation of the claim, and request from Plaintiffs all items, statements, and forms that it reasonably believed would be required within the applicable time constraints, as described above, constitutes a non-prompt payment of claims and a violation of TEX. INS. CODE §542.055.

58. Defendant State Farm's failure to notify Plaintiffs in writing of its acceptance or rejection of the claim within the applicable time constraints, constitutes a non-prompt payment of the claim. TEX. INS. CODE §542.056.

59. Defendant State Farm's delay of the payment of Plaintiffs' claim following its receipt of all items, statements, and forms reasonably requested and required, longer than the amount of time provided for, as described above, constitutes a non-prompt payment of the claim. TEX. INS. CODE §542.058.

**ACTS CONSTITUTING ACTING AS AGENT**

60. As referenced and described above, and further conduct throughout this litigation and lawsuit, Williams is an agent of State Farm based on her acts during the handling of this claim, including inspections, adjustments, and aiding in adjusting a loss for or on behalf of the insurer. TEX. INS. CODE §4001.051.
61. Separately, and/or in the alternative, as referenced and described above, State Farm ratified the actions and conduct of Williams including the completion of her duties under the common law and statutory law.

**BREACH OF THE DUTY OF GOOD FAITH AND FAIR DEALING**

62. Defendant State Farm's conduct constitutes a breach of the common law duty of good faith and fair dealing owed to insureds in insurance contracts.
63. Defendant State Farm's failure, as described above, to adequately and reasonably investigate and evaluate Plaintiffs' claim, although, at that time, State Farm knew or should have known by the exercise of reasonable diligence that its liability was reasonably clear, constitutes a breach of the duty of good faith and fair dealing.

**KNOWLEDGE**

64. Each of the acts described above, together and singularly, was done "knowingly," as that term is used in the Texas Insurance Code, and was a producing cause of Plaintiffs' damages described herein.

### **DAMAGES**

65. Plaintiffs would show that all of the aforementioned acts, taken together or singularly, constitute the producing causes of the damages sustained by Plaintiffs.
66. As previously mentioned, the damages caused by the May 28, 2015 and/or June 9, 2015, windstorm have not been properly addressed or repaired in the months since the Storm, causing further damages to the Property, and causing undue hardship and burden to Plaintiffs. These damages are a direct result of Defendant State Farm's and Williams' mishandling of Plaintiffs' claim in violation of the laws set forth above.
67. For breach of contract, Plaintiffs are entitled to regain the benefit of their bargain, which is the amount of their claim, together with attorney's fees.
68. For noncompliance with the Texas Insurance Code, Unfair Settlement Practices, Plaintiffs are entitled to actual damages, which include the loss of the benefits that should have been paid pursuant to the policy, mental anguish, court costs, and attorney's fees. For knowing conduct of the acts described above, Plaintiffs ask for three times their actual damages. TEX. INS. CODE §541.152.
69. For noncompliance with Texas Insurance Code, Prompt Payment of Claims, Plaintiffs are entitled to the amount of their claim, as well as eighteen (18) percent interest per annum on the amount of such claim as damages, together with attorney's fees. TEX. INS. CODE §542.060.
70. For breach of the common law duty of good faith and fair dealing, Plaintiffs are entitled to compensatory damages, including all forms of loss resulting from the insurer's breach of duty, such as additional costs, economic hardship, losses due to nonpayment of the amount the insurer owed, exemplary damages, and damages for emotional distress.

71. For fraud, Plaintiffs are entitled to recover actual damages and exemplary damages for knowingly fraudulent and malicious representations, along with attorney's fees, interest, and court costs.
72. For the prosecution and collection of this claim, Plaintiffs have been compelled to engage the services of the attorney whose name is subscribed to this pleading. Therefore, Plaintiffs are entitled to recover a sum for the reasonable and necessary services of Plaintiffs' attorney in the preparation and trial of this action, including any appeals to the Court of Appeals and/or the Supreme Court of Texas.

#### **JURY DEMAND**

73. Plaintiffs hereby request that all causes of action alleged herein be tried before a jury consisting of citizens residing in Dallas County, Texas. Plaintiffs hereby tender the appropriate jury fee.

#### **WRITTEN DISCOVERY**

##### **REQUESTS FOR DISCLOSURE**

74. *Plaintiffs' Request for Disclosure to Defendant State Farm Lloyds* is attached as "Exhibit A." *Plaintiffs' Request for Disclosure to Defendant Teresa Williams* is attached as "Exhibit A-1."

#### **PRAYER**

WHEREFORE, PREMISES CONSIDERED, Plaintiffs pray that upon trial hereof, said Plaintiffs have and recover such sums as would reasonably and justly compensate them in accordance with the rules of law and procedure, as to actual damages, treble damages under the Texas Insurance Code, and all punitive and exemplary damages as may be found. In addition, Plaintiffs request the award of attorney's fees for the trial and any appeal of this case, for all

costs of Court on their behalf expended, for prejudgment and postjudgment interest as allowed by law, and for any other and further relief, either at law or in equity, to which they may show themselves justly entitled.
